Hi Valois,

I can certainly participate in a conference call. Just let me know when.

Hi Paige,
I spoke with Kelly Fanizzo this morning. She said it is feasible to include the "opt-in" clause in the PA, as we heard from John Evans during the call. In order for us to join later, we need agreement from the SHPO. She would like more info about the project, so I will be talking with her again next week. Would you like me to set up a conference call to include all three of us in the conversation? It would be helpful to have your input, too, in giving her the background on what has been done so far in the 106 process at Dewey Burdock. If you have time.
Thanks!
